

WISDOM IN STEM

A Program By Caring Valley Nonprofit

Mentorship: Navigating STEM paths with industry veterans

Ethical Innovation: Building for social good and sustainability

Impact: Turning student projects into community solutions

Wisdom in STEM is a community initiative that brings together adults aged 50+ with technical or scientific backgrounds and middle & high school students exploring hands-on science.

Our volunteers serve as:

- ✓ Science Fair Judges
- ✓ STEM Mentors
- ✓ Career Storytellers
- ✓ Workshop Leaders

If you enjoy problem-solving, sharing knowledge, or encouraging young minds – you belong here.

STUDENTS : Planning your project for next year?
We are looking for **STEM solutions that empower older adults**

Winners will receive
the 2027 CVN
Wisdom in Stem
Award
